	 More people lived in cities in the 	
	for the 1st time	
	 More freedom and experiences in cities 	
	 Fundamentalism Christianity v. Scientific Modernism: 	
	■ Trial	
	 Literal interpretation of the bible vs. evolution 	
	B: Political and cultural conflicts emerged over: technological change,	
	modernization, and changing demographics	
	These conflicts were evident in:	
	Management v. labor:	
	 Unions membership decreased, associated with 	
	Native-born v. new immigrants:	
	• in the 1920s increased drastically	
	■ KKK	
	 Immigration quota acts of 1921 and 1924 were very 	
	restrictive	
	• <u></u>	
	o White vs. black:	
	post WWI - African	
What was the Lost	American migration to northern cities ->	
Generation similar	Race riots - Chicago)	
to from the	o Idealism v. disillusionment:	
1950s?	of the 1920s - criticized	
	middle class values	
	C: Rise of African American artists:	
	·:	
	 Celebration of African American culture through 	
	writing, music, and art:	
	•	
	National culture was affected by art, sinema, and mass media:	
	National culture was affected by art, cinema, and mass media: Examples:	
	Examples:theater - portrayed experiences of	
	American Jews	
	 Influenced English-speaking theaters later in America 	
	■ Edward Hopper - focused on the loneliness of the	
	modern city	
	modern city	
	Key Concept 7.2, II	
	"The global ramifications of World War I and wartime patriotism and	
	xenophobia, combined with social tensions created by increased	
	international migration, resulted in legislation restricting immigration	
What did Eugene	fromAsia and from southern and eastern Europe."	
Debs do from jail	 Page 67 of the new curriculum 	
in 1920?	A: WWI and Civil Liberties	
2323.	 Remember, during times of war and crisis, liberties 	
	 Restrictions of freedom of speech: 	
	Act of 1918	

	Upheld by the Supreme Court in
	B: The First Red Scare:
	o Caused by:
	Revolution in Russia (1917)
	Labor strikes were associated with communism
	o Effects:
	 Many radicals and immigrants were targeted
	Raids: 1,000s of immigrants and
	suspected communists were arrested
	C: Acts of Congress that established immigration quotas:
	• C. Acts of congress that established infinigration quotas. • 1921:
	Restricted immigration to% of a country's
	population in the US according to census
	o 1924
	Further restricted immigration to% of a country's
	population in the US, used census instead
	Immigration from Latin America and Mexico remained unrestricted
	US sought to have a labor supply
	O OS SOUBIL TO HAVE A IADOI SUPPLY
	Key Concept 7.2, III
	 "Economic dislocations, social pressures, and the economic growth
	spurred by World Wars I and II led to a greater degree of migration
	within the United States, as well as migration to the United States
	from elsewhere in the Western Hemisphere."
	 Page 68 of the new curriculum
	A: Great Migration:
	Some African Americans sought to leave the
	of the South
	Searched for new opportunities in
	northern cities during and after WWI
	Many provided jobs during the war
	Many still faced in the north
	B: Many Americans migrated within the country due to economic
	struggles:
	 During the Great Depression:
	The:
	"Okies" to California - The Grapes of Wrath
	 During WWI and WWII for wartime production:
	 Continual movement from rural to urban areas to
	work in:
	million Americans moved during the WWII
	New opportunities for women:
	• (WWII)
What does	Worked in healthcare, and other jobs during
ambivalent mean?	the wars
	Often paid less than men Compare to the US for economic apportunities.
	C: Many came to the US for economic opportunities
	They faced government policies in the
	1930s and 1940s:
	Many () were deported during the Great Depression Johan
	Depression - labor
